

## LOCAL HAPPENINGS.

(Taken from The Comet.)

Rev. L. H. Parker of Wagoner was in the city on business this week.

Miss Minnie Jones of Fordyce, Ark., is spending the summer in the city, the guest of her sister, Mrs. M. K. Gowan.

Mrs. P. R. Caesar who has been visiting friends in Denison, has returned home on account of her husband's illness.

The K. of P. will lay the corner stone for the C. M. E. church next Sunday at 3 o'clock and all the friends are invited to be present.

The Masonic Grand Lodge and Eastern Star is in session this week, and many visitors from various parts of the Territory are here.

Rev. W. R. Toliver, the son of the ex evangelist, is visiting his family here and preached at the First Baptist church last Sunday evening.

Mr. P. Caesar has been on the sick for about 3 weeks but is much improved and drives out occasionally as per advice of his physician.

Mrs. Sadie Wright and Miss Anna D. Lucas of Eufaula, spent a few days in the city as delegates to the Sunday School convention which was held at 2nd Baptist church.

The Comet man will be absent from the city the greater part of this week visiting the P. E. council which convenes at Wagoner, 20, 21, inst.

Rev. A. J. McAlester, presiding elder of the M. E. church, informed the Comet man that his district conference will convene at Eufaula. August 3rd.

Rev. J. B. Bolden, accompanied by Miss Willie Walker, left the city last Saturday for Pine Bluff, his home, after conducting several days revival at Central Baptist church.

Mrs. S. S. Sanders of Ft. Smith and Mrs. Paralee Steward of Van Buren, are in the city visiting Deputy Marshall Bass Reeves. They are respectfully his daughter and mother.

Revs. J. B. Bove and R. R. Booker, evangelist from Conway, Ark., are in the city, conducting a tent meeting at the A. M. E. church, corner 9th and Denison. All the friends are invited to attend without regard to denomination.

Mrs. J. W. Bailey of So. 2nd St., is now in Hot Springs for the summer on account of the illness of her baby. She writes that the child is much improved. Her many friends hope for her a pleasant trip and a safe return,

Rev. J. L. Grayson has resigned as pastor of the First Baptist church. From what we can learn it seems that the Rev. has done good work and raised a great deal of friends for the church during his pastorate.

A four room parsonage is being built for Beebe's Chapel C. M. E. and it is almost complete and ready for use. The congregation and pastor may justly compliment themselves upon the splendid improvements made.

The tent meeting at the A. M. E. church, Sunday, was a success in every way. Evangelists Bove and Booker made good impressions by the earnestness expressed in their sermons. The attendance was good all day and it is hoped that much good may result from the meeting.

## ANOTHER NEGRO BUSINESS

"Bruner & Anthony" is the style of a dry goods company that is now preparing to open up for business on or about the 25 of this month. Their place of business is located at corner 2nd and Court streets opposite the Court House.

These gentlemen are business like in appearance and promise to keep on hand a first class stock of goods and desire to have the patronage of our people.

The Comet has been pleading for a colored dry goods store and now that is a certainty we shall turn our gun in another direction.

Mr. Bruner is a Creek native, and Mr. Anthony is a South Carolinian. Success to their effort.

## Hello! Who is that?

Say, did you know that Geo. Pleasant kept a first-class place on the east side of Second street.

Everything good to eat, cigars of the best brand, fancy candies, ice cream, flour, sugar, coffee and country vegetables.

He sells cheap, give him a call  
GEORGE PLEASANT.

When you need

## GLOYD - LUMBER - CO.

### Taking The Stump

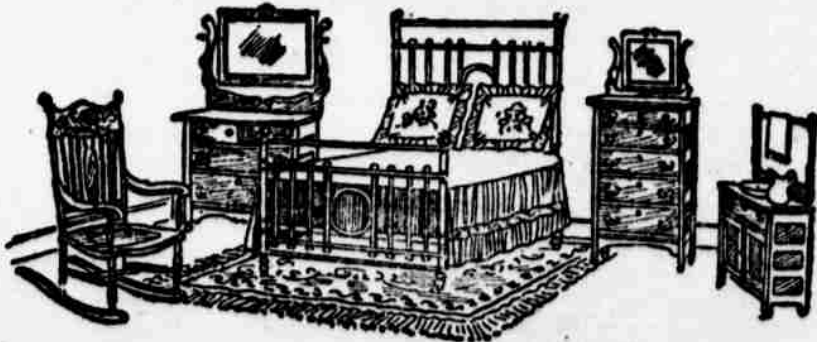

To tell about our lumber, it is put forward to win the approval of the lumber users of this section and when its good points are appreciated it will certainly do so. We see no satisfaction or profit in handling low grade stock. Neither will consumers when they learn that the finest lumber by the foot but pieces by the inches,
